SFR SCCA on Facebook Whatever your motorsports interests, Sports Car Club of America has a place for you. • Wheel-to-wheel, competitive racing • Autocrossing in competitive classes and championship series • Trackside staffing of professional and amateur races at Northern California tracks The San Francisco Region of the Sports Car Club of America organizes and operates amateur road races and autocross events in Northern California. We are a volunteer-driven organization providing true grassroots participation for all our members. Road Racing - Competitors race wheel-to-wheel at Mazda Raceway Laguna Seca, Infineon Raceway, and Thunderhill Park. Cars range from production street cars to purpose-built, formula race cars. Solo Autocross • Compete in your street car. Timed runs on courses marked with cones in a time trial format. With over 30 classes, you can compete against cars similar to yours. Events are held in the Bay Area, Sacramento and Fresno. Volunteer Race Officials - Our volunteers staff SF Club Racing events and professional events at Mazda Raceway Laguna Seca, including American Le Mans Series, Rolex Grand Am, World Challenge, and the Monterey Historics. Crews include flagging & communications, emergency, pit fire marshals, grid, tech inspection, and course marshals. Click on this icon to go to the SCCA National web page
