

2013 San Francisco Region Championship Points Standings 10/22/2013

End of Season (With 2 Drops)

SFR Supp Rule #40: A driver must be a member of the San Francisco Region prior to the race to earn Regional points. A driver's point total will be the total points earned in each points race, up to two (2) less than the total number points races for that driver's class. Points races where the driver was excluded or disqualified must be counted in the point total even though the points earned were zero (0). A driver must be a race starter in at least 51% of the full-point regional races in a class to be awarded year-end championship trophy.
