

Waiver or Credit for Previous Racing Experience

If you are new to the SCCA and currently hold a competition license with another organization or perhaps you you've been away from racing for the last couple of years, you may request a waiver to obtain a license, based on your experience. Depending upon your previous racing experience, some or all your licensing requirements may be waived. Here are the steps:

1. To request a waiver, submit your [racing resume](#) including copies of currently held licenses and race results to the Divisional Licensing Administrator based on your primary address. (listed below). If approved, the DLA will notify SCCA Member Services.
2. You will also need to sign up for a SCCA Membership, and upload the required SCCA forms ([Medical Form](#) & [License Application](#)) from your profile page under My Documents. You may also complete the digital annual participation waiver ([instructions](#)) while you're at it. To do this, visit my.scca.com. If you are already a member, log-in to your Member Account. If not, click the JOIN NOW button. If you have questions, please contact Road Racing roadracing@scca.com or Member Service membership@scca.com.
