

2012 San Francisco Region Championship Points Standings 11/15/2012

End of Season (With 2 Drops)

SFR Supp Rule #42: A driver must be a member of the San Francisco Region prior to the race to earn Regional points. A driver's point total will be the total points earned in each points race, up to two (2) less than the total number points races for that driver's class. Points races where the driver was excluded or disqualified must be counted in the point total even though the points earned were zero (0). Drivers must participate by being a race starter in seven (7) full-point regional races to be awarded year-end championship trophies.
