

2010 SAN FRANCISCO REGION FINAL CHAMPIONSHIP POINTS STANDINGS: 10/25/2010

SFR Supp Rule #42: A driver must be a member of the San Francisco Region prior to the race to earn Regional points. A driver's point total will be the total points earned in each sanctioned event, up to two (2) less than the total number of sanctioned events for that driver's class. Sanctioned events where the driver was excluded or disqualified must be counted in the point total even though the points earned were zero (0). Drivers must participate by being a race starter in five (5) full-point regional events to be awarded year-end championship trophies.
