San Francisco Region SCCA

VOLUNTEER INCENTIVE PROGRAM (VIP)

2023

The SFR SCCA Volunteer Incentive Program rewards SCCA volunteers for days worked at SCCA races and SCCA supported events. These points can be used to cover expenses on a broad variety of items related to volunteering including logo gear, membership fees, banquet registration, and lodging.   Below are the current program details:

HOW TO EARN POINTS

- All members will earn 20 points per day for volunteering in all region-supported events which include both Club and Pro events.
- Members must register for each event on MotorsportsReg. Members must also check in at the start of every race at Registration.
- At the end of the last day of each event, the Specialty Chiefs will report to the Regional Office the list of volunteers who showed up and what credit they are to receive.

VIP POINTS BALANCES

The SFR Office staff will maintain a record for each volunteer of points accumulated, points spent, and current balance.   This information will be published on the Region's website on a regular basis.

HOW TO REDEEM POINTS

- Volunteers may redeem points by contacting the SFR Office staff (VIP@sfrscca.org) with their request.   The office staff will then verify that the volunteer has sufficient points for that item and then work with the appropriate provider to redeem the points.
- VIP Points will expire at the end of each calendar year. Any points not redeemed by the end of each calendar year will <u>not</u> be carried over to the following year.

Should you have any questions, please contact the Regional Office.
